Reasons to Use

- **Everything in one place** - View classroom, school, and district level messages in one simple, scrollable, "stream" view - just as you would on any other app or social media site.
- **Two-way communication** - Exchange messages with individuals one-on-one (i.e. with teachers) or groups (i.e. classes, sports teams, PTO groups) (if supported by your school or district).
- **Include attachments with your messages** - Exchange files, images, and videos.
