

3rd - 8th Grade Lebanon Kids/Middle School Football Camp
June 17th - 20th 12:00 – 1:30 pm
@ Lebanon High Football Field

Why:

We want to share the love of this game with the kids in our community. We are very concerned for the safety of all players and want to teach how to play this game safely. As well as embrace how unique this game is in regards to other sports. There is no other sport like the game of football that helps young athletes grow as people. It accepts all types regardless of age and security of one's skill in participating in this game we don't cut players who want to play. Lastly we would like to help kids grow their football skill and knowledge for a game that most truly love!
